

the **STEADYTONES** explosive reggay ✨

Press

Sold their soul to the one and only vibe that is: REGGAY. It's not a coincidence that they've been backing up most of the touring vintage original artists in oldschool Reggae today. Such as: Stranger Cole, Doreen Shaffer, Dawn Penn, Keith and Tex, Rudy Mills....

Bringing back the true sound of SKA/Rocksteady/and spirit of 69 reggae at it's best! Soon coming fwd in ya town !
